

The Look of Love (The Sullivans)

Expanded Edition! More Story! More Sullivans! Fans of Bella Andre Sullivan Series will love this long-awaited print edition of THE LOOK OF LOVE. It features a longer, more-detailed story with all the emotion and sensuality that readers love. Not to be missed! Sometimes one look is all it takes. Chloe Peterson has vowed never to make the mistake of trusting a man again. Her reasons are as vivid as the bruises on her cheek. So when her car skids off a wet country road straight into a ditch, she's convinced the gorgeous guy who rescues her must be too good to be true. As a successful international photographer, Chase Sullivan has his pick of beautiful women. He's satisfied with his life until he finds Chloe and her totaled car on the side of the road in Napa Valley. With every loving look and every sinfully sweet caress, the attraction between them sizzles, and Chloe can't help but wonder if she's met the man who may be the exception to her rule.
