

A GAMBLE ON LOVE (The Hamiltons - A Blended Family Book 3)

Drum Hamilton, a financial wizard and CFO of Hamilton Enterprises, is a bean-counter, a numbers man and never rash when it comes to making a decision. Until he meets Julie Carpenter, a doctor of psychology with a specialty in sex therapy, hes comfortable with his natural tendency to be cautious. Julie is more spontaneous and completely relaxed with her sexuality. Raised by her strict, teacher mother, she accepted the role of good girl in her teens. When she went to college she didnt go wild, but she experienced life her way. Successful and in her thirties she wants marriage and babies, but will wait for the right man to appear. Their undeniable chemistry causes them to proceed in haste, engage in an impetuous affair and make life-altering decisions. Will they regret their urgency as their true nature reasserts itself?
