

Out of the Dark (Silhouette Intimate Moments)

The Lady and the Loner Horse trainer Victoria Flynn had learned the hard way that good-looking men just plain couldn't be trusted. But she was in big trouble, and she had nobody to turn to but a man who was too damn handsome for her own good—a long, lean Texan with a lazy smile, and strangely haunted eyes. A lifetime's worth of hard lessons had taught Cole Bannister never to let anybody get too close, but Tory Flynn wasn't making it easy. The rodeo-star-turned-private-investigator was ready to help her find out who was out to destroy her ranch, but he wasn't ready for the way she made him dream of changing his solitary ways.
