

Ill Kiss You Longer (The Off-Season Book 4)

Jessamy Dawson couldn't wait to get away from Avalon Island and start living her life. Nine years later, a political scandal chases her from that life, and the only place she can find sanctuary is the home she couldn't wait to escape. Logan Marlowe is a hardworking single dad, working two jobs to pay child support. His son is the most important person in the world to him, and he hasn't dated since his divorce. But when Jessamy walks into his life, her own disaster, he knows she's the one. She doesn't want to get involved after her affair with a senator exploded so publicly, and she certainly doesn't want Logan to know of her failure. He's sexy and sweet and makes her feel good--and she can't stay away. Until his ex recognizes Jessamy, and her secrets, and her sanctuary, are exposed once again.
