New York Times bestselling author Diana Palmer brings us back to Texas with these reader-favorite stories about two irresistible ranchers. The Rancher: Cort Brant, heir to the Skylance Ranch empire, has a constant flow of women galloping into his life. But the handsome lone wolf sends them on their way just as quickly until a pretty, vivacious neighbor appears on the range. Has the most eligible bachelor in Brantville met his match in Maddie Lane? Heart of Stone: Rancher Boone Sinclair is the ultimate Long, Tall Texan reticent, noble and blessed with a Texas-size stubbornness! He's always been beguiled by the lovely Keely Welsh, but he's kept his distance to protect her innocence. Yet Keely's no longer a girl who needs his protection; she's a woman out to win his heart! Palmer demonstrates, yet again, why she's the queen of desperado quests for justice and true love. Publishers Weekly on Dangerous
