

Three Broken Hearts (Kansas City Romance) (Volume 3)

Amy Roberts is leery of married men after discovering her fiancé is married. Her new boss, Kent, is widowed, but could his sister-in-law mean more to him than he says? Amy wants the job decorating his model homes, but she'd rather not have her heart broken again. Kent believes Amy holds more appeal than only her expertise in design. They could easily fall in love and get married, except for one thing. Kent's preteen daughter, Sierra, doesn't want Amy for a step-mother. She wants her dad to marry her mother's identical twin sister so she can pretend she has her mother back.
