

Deep In Love

This is the first book of the DEEP IN LOVE Series, another wild and wicked story with a delicious mix of romance and deep passion by Katelyn Skye. After a gruelling round of interviews with several snooty managers, local gal Ellie Peterson finally makes good and gets a job at Angels Fall, an exclusive intimate wear shop in Chicagos affluent Oakbrook suburb. Shes worked retail before and is willing to do whatever it takes to be successful in her new position. But when the breathtakingly handsome store owner, Dante Angelo, makes a surprise appearance on her first day, Ellie discovers that not everything is as it seems at Angels Fall, and perhaps the torrid rumors about Dante are true Dante Angelo is a man who knows what his wants in life and isnt afraid to do whatever is necessary to get it. Hes made his millions in the cutthroat world of mergers and acquisitions and gained ownership of the intimate apparel company. Dante is a man who loves beautiful women as much as he loves the thrill of a takeover. He has big plans to turn his unexpected new venture into a worldwide phenomenon, and to entice his beguiling new clerk into his dark world of dangerous desire
