CRAY PHILLIPS, successful business man, enters the Plaza Hotel to attend his twelfth Christmas party in as many days, plans to make a quick appearance and leave when from across the room he hears a loud, bawdy laugh but nevertheless melodic. His eyes search for the owner of the laugh and lands on the most beautiful woman hes ever seen. ANGELICA ANDERSSON, former Norwegian model with a Ph. D in Philosophy stands surrounded by men. Cray approaches her, introduces himself and asks her to marry him. Their lives become a fairytale of glamor and love until a horrendous tragedy strikes and ends their happily ever after. It forever changes their lives as theyre rent apart through no fault of their own. Can they ever recapture what they once had? Its doubtful!
