[Siren Classic ManLove: Erotic Alternative Romance, M/M, sex toys, HEA] Insightful to a fault, Gabe Ashton knows Nick Flynn's gay even if Nick doesn't. And after seeing how the townie looks at his buddy, Gabe knows Nick is in love with a guy who'll never love him back. So Gabe invites Nick to campus parties and to hang out with new people. But soon their friendship turns physical, and Gabe wonders if he's in just as much denial as Nick is. Nick's straight so he's always assumed. But he can't deny that the things he's doing with Gabe are hot. More than that, he likes Gabe in a way he's never liked anyone else. Well, anyone else except his high school friend, John. The hardest thing to give up is a fantasy, and the hardest thing to face is the truth. But if Nick wants the man standing in front of him, he'll have to give up the one he never had. \*\* A Siren Erotic Romance
