

[Menage Amour: Erotic Cowboy Menage a Trois Romance, M/F/M, sex toys, HEA] Tessie Holland has dealt with some loss in the last five years. Her father is dead and she had to move out of her family ranch with her mother. She works at the local diner as a waitress to help pay the bills. The only highlights in her life are the mystery packages that are left on her doorstep. Who could be sending her these gifts? Markus and Brant Stone have been in love with Tessie for a long time. They never want to see her without and have made sure she gets everything she wants by leaving her gifts, anonymously. However, they cannot wait anymore. They intend to tell her the truth and to claim her as their woman. When the Stone brothers try and buy back Tessie's home ranch they stumble upon some distressing revelations. Soon they are diving into something that neither brother can protect her from. It's a race against time to protect Tessie from the truth and to also protect her from the man who wants to end it. \*\* A Siren Erotic Romance
