

# Useful Enemies: John Demjanjuk and Americas Open-Door Policy for Nazi War Criminals

A shocking expose of the American governments campaign since 1940 to keep European Jews out of the United States-and knowingly allow hundreds of Nazi war criminals in.John Iwan Demjanjuk was at the center of one of historys most complex war crimes trials. But why did it take almost sixty years for the United States to bring him to justice as a Nazi collaborator?The answer lies in the annals of the Cold War, when fear and paranoia drove American politicians and the U.S. military to recruit useful Nazi war criminals to work for the United States in Europe as spies and saboteurs, and to slip them into America through loopholes in U.S. immigration policy. During and after the war, that same immigration policy was used to prevent thousands of Jewish refugees from reaching the shores of America.
