

Variation on a Theme

New York Times bestselling author Barbara Delinsky enthralls millions of readers with emotionally powerful stories that vividly demonstrate the hearts, power to love. Here, first published in 1984, is an unforgettable story of a woman who must discover who she is before she can give herself to the man she loves. Although she had already heard a great deal about Rachel Busek, nothing prepared Jim Guthrie for the beautiful flutist's gentle grace. A rough-hewn private investigator, Jim is nearly overwhelmed with the urge to love and protect her. And Rachel is both amazed and delighted at the ease with which Jim slips into her life. Yet as quick passion gives way to leisurely love, Rachel finds herself holding back. Troubling pieces of her past remain a mystery even to her, and keep her from trusting her heart. Now, she must either discover the truth about her past or risk losing the first man in her life worth keeping.
