His stepsister, Kady, and he had been attracted since their parents married, but Brett and Kady had tried very hard to remain normal. Unfortunately for them, their secret lust for each other had been growing.... Their forbidden attraction suddenly takes on new urgency when Kady is accosted by a drunk thug, and Brett steps in to rescue her. But, neither of them are ready for the turn their lives take, as they ride away from the brawl in a limousine that is almost unreal in its luxurious capabilities. As Brett and Kady are transported to an ocean-front mansion, a cryptic message from the owner of the vehicle forces Bretts hand. Meanwhile, Bretts father, Ted, and Kadys mother, Sarah, have been married several years now. When Ted gets information that Bretts success has real implications for the survival of his own company, he is faced with a difficult decision. What he and Sarah dont realize is just how deep the secret tentacles are that are reaching for them. Sarah and Ted prepare to attend a social event that will ultimately explode everyones ideas of morality, loyalty, love, and trust. Follow the erotic romantic adventures of these two very different couples, as their world is suddenly turned upside down, as they try to figure out what is right, wrong, forbidden, or even allowed!
