

Volume 9: Sun Tzus Art of War Playbook: Vulnerabilities

This is Volume Nine (32 articles) of Sun Tzus Art of War Playbook explaining the principles of Sun Tzus strategy. This volume explains the vulnerabilities created by an external crisis and how to defend against them. The Playbook itself is the culmination of over a decade of work breaking down Sun Tzus principles into a series of step-by-step practical articles by the Institutes multiple award-winning author and internationally recognized Art of War expert, Gary Gagliardi. The work explains the concepts in the verses of Sun Tzus classic on strategy in detail, explaining the situations to which they apply the steps in Sun Tzus system for using them with examples from modern competition. While the original Art of War was originally written for military generals who understood the philosophical concepts of ancient China, our Art of War Playbook is written for todays readers and provide enough descriptive material so that Sun Tzus ideas can actually be used in everyday life. The Art of War Playbook puts Sun Tzus ideas into everyday, practical language as a book of instruction. Because of its size and detail, the Playbook is published in nine volumes. The concepts covered in this volume are listed below:

Playbook Overview
Volume One Review: Comparing Positions

Except for review and overview articles, each article is written in standard format including the related quote in Sun Tzu, the general principle in more modern terms, the situation to which the principle is applied or which necessitates the principle, the opportunity created or exploited by the principle, the list of specific Art of War key methods breaking down the general principle into a series of actionable steps with references to related principles in the Playbook, and illustrations of the application of each of those method to a specific competitive arena, i.e. sales, politics, small business, etc. Rules are written generically to apply to every competitive arena (business, personal life, career, sports, relationships, etc.) with each specific illustrations drawn from one of these areas. The initial number identifies where each article appears in Playbook Structure. For example, the article 2.1.3 Strategic Deception is the third article in the first section of the second book in the nine volumes of the Strategy Playbook. In our on-line version, this links are live, clicking on them brings you to the article itself.
