

Walking in Freedom: 21 Days to Securing Your Identity in Christ

God wants His children to walk in the freedom purchased for them by Christ at Calvary. Every person has been given the responsibility to make right choices in life--we must choose truth, reject lies, and forgive those who hurt us--but God has not left us as orphans to fend for ourselves! The Holy Spirit gives us the power to walk in the freedom that is already ours in Christ. Following these twenty-one days of select readings will increase the liberating work that God has begun in you through the Steps to Freedom in Christ. Each daily devotional provides three truths--the truth about God, the truth about you, and the truth about freedom--as well as recommended Scripture readings that affirm each of the three. As readers begin to hide these truths in their hearts, they will learn how to stand firm in their freedom and build a strong and holy shield against the enemys attacks.
