

Whispering Back

Adam Goodfellow and Nicole Golding run a stable in the Cotswolds and specialise in curing problem horses. Its never an easy task, and often requires changing the habits of the owner as much as the horse. The pair have travelled a long way to get where they are today - but theyve been united by a common passion. After a chance meeting with Monty Roberts, they gave up everything to live out their dreams and show that its possible for ordinary people to become horse whisperers. Their world is extraordinary, particularly through their unusual methods of teaching, and as you meet the cast of characters, both animals and humans, that surround them, youll find it impossible not to be won over by their life.
