That was how I used to feel about minute taking; this book is aimed at those among you who feel the same. It is aimed at secretaries, PAs and administrators and covers the issues that worry them; these are based on the things that worried me and the things that have worried my hundreds of delegates on my training courses over the last 10 years. This book will give you the knowledge and confidence to be able to prepare for a meeting, work with your meeting chair, take notes during the meeting and to write your minutes afterwards. It has been written by an experienced PA who now trains other people in the skills she has developed. The book is laid out in a very easy to read format and gives lots of advice based not only on Heathers experience but also the many people she ahs trained. It has a checklist to help you make sure you remember everything you need to do before, during and after the meeting. The roles of the chair and yourself are defined. There are examples and opportunities to practise your skills.
