Where Do Lonely Hearts Go?The chance to rescue abandoned horses has given Eloise Tipple the fresh start she needs. After losing her skating career and fiance, she returns home to Wild Horse, Wyoming, to work at a beautiful inn and man the stables. Sean Granger has also come home to nurse some emotional wounds and would like nothing more than to pursue life as a lone wolf. Both say they want nothing more than friendship. But while saving homeless horses, can Sean and Eloise save each other and heal their wounds?
